## Objective

To secure a challenging role in a reputable organization that allows me to leverage my technical, database, and management skills to drive growth and success. As a web developer, my primary objective is to create user-friendly and efficient websites that meet the unique needs of clients. I am committed to staying up-to-date with new and emerging trends in the IT sector to ensure that I can deliver the most innovative and effective solutions to support organizational success.

## Work experience

COGVEEL TECHNOLOGIES

Nov 2023 - Present

*Frontend Development Intern*

As a Frontend Development Intern, I contribute to the development of responsive and visually appealing web interfaces, applying HTML, CSS, and JavaScript. Collaborating with the team, I enhance user experiences and assist in delivering successful frontend solutions.
